

## 17 Border Trade Stations and Their Conditions

ISP Mapping Number 83

ISP Myanmar

There are a total of 17 border trade stations between Myanmar and neighboring countries. **Seven** of these border trade stations are controlled by Ethnic Armed Organizations (EOs) and resistance forces.

The data is based on ISP-Myanmar's research as of January 16, 2025. Actual data may vary due to the limitations of data access and potential variations in the methodology employed in the research.
